The Anne Sullivan award was created to honor people who work behind the scene and do not expect any rewards. A donation of \$200.00 to the Colorado Lions Foundation in the name of the recipient is required to receive the award. This award can be given to those in the community who help you Lions club or just very special people. The individual will receive a plaque and pin with a presentation letter. Lettering should accompany the application telling why you wish to make the presentation. Your Colorado Lions Foundation trustees will approve the application and the plaques will be ordered and presented at the time and date you indicate by one of the trustees at your meeting, or whenever your club wishes.
